

LIVING WITH PEACE OF MIND

Newsline

Summer Fete

We held our summer fayre in our garden and were joined by friends and family! There was food, various games and activities but most of all we enjoyed catching up with everyone! We even had visits from relatives of our friends who have now sadly passed, it was great to see them and talk about our friends and I'm sure they were all there in spirit to celebrate the day with us.

Hello :)

Well the time has come, its the end of summer round up for you to enjoy!

What a summer we have had here at Springhill. Our summer has been jam packed From our summer fete to in home entertainment to a visit from some adorable animals we really have had the best time!

Residents of Springhill Care Home

Some bunny loves you

Residents had a visit from Bunny Love. Residents were able to hold, touch, clap and play with the animals. It was a really interesting day & everyone enjoyed getting to handle the various animals, something we all hadn't done before!

Not your average Scottish Summer

We were very lucky this summer with the amount of glorious weather we received and our residents did not let that go a miss! Everyone enjoyed days in the garden catching up with each other. We sure will miss this weather when the winter nights arrive soon

Chocolate Day

It was national chocolate day and what better way to spend it than trialling various different chocolates! Everyone enjoyed taste testing the different flavours and also set up a chocolate fountain for the home!

Lets dance

Everyone at Springhill enjoyed some entertainment from the Aysire Ukes Group. Residents had a good old dance and enjoyed mingling with each other.
